Landscape Ohio! Awards Program -

Categories C thru R

Please complete all 3 pages of the Entry Form. (**Must Be Typed, but you can recreate this form**). Use this page for a general description of your project. Include any unusual problems associated with the project and list any work performed by others. Communicate anything that you disagree with in the design that the client insisted upon, or the judges will assume you are with or created all the ideas included. (**Hint—These descriptions are read aloud to our judges. Read your descriptions aloud to be sure they are correct before you submit them. Do not exceed word limit...judges will not receive additional information**) Be certain that photos and descriptions represent the work you did on the project and that your descriptions fit the category. DO NOT include your company name in any description.

General Description of Project (Maximum of 80 words)

Special/Unusual Problems Associated with Project (Maximum of 50 words)

REQUIRED (Maximum of 50 words)

- Work Subcontracted or Performed by Others / Items NOT INCLUDED in this entry. If none, state none.
- State any existing features. If none, state none.

REQUIRED (Maximum of 50 words)

- State any items NOT INCLUDED in the dollar value of this entry. If none, state none.

Entry Checklist—Categories C thru R

Please Consult "How to Enter" for Complete Details.

- Fill out 3-page entry form.** One form per entry. *Note there is a separate entry form for maintenance projects.* Be sure the descriptions discuss the work you have done on the property. Be sure description is applicable to the category. (i.e. don't describe the installation of a paver patio that was subcontracted, instead include details of the challenges and the service you provided.)
- Fill out payment form & include payment.** You can combine all entries' payments and pay with one check or credit card.
- Be sure to enter project in the appropriate category.** Most categories include RETAIL value.
- Be sure to disclose any work subcontracted or performed by others.**
- Include CD / DVD of photos.** Separate CD / DVD per entry with 5 to 10 photos.
- NEW!! Optional** – Include a short video clip of your project.
- Include drawing / plan.** One per entry. (For all categories except Maintenance & Best Use of Color)
- Include plant list.** Plant list may be incorporated into drawing / plan. (Not needed for Maintenance or Best Use of Color.)
- Enclose each entry in a separate envelope.** Mark outside of envelope with your company name and the LETTER of the category you are entering the project in. (i.e. Category C - ACME Landscapes)

Any omission of requirements will result in disqualification of project and forfeiture of entry fee. Please consult "How to Enter" for complete details.
